INTRODUCTION

Welcome to our 2022 Charity Regatta!

Tall Ships Youth Trust's Charity Regatta and dinner is a great opportunity to help raise funds to support young people from disadvantaged backgrounds while having fun racing in the Solent! This year to add a further competitive element, we're also encouraging you and your team to raise vital funds to support our youth development work with young people aged 12-25 (see page 11 for more details on this).

You and your team will enjoy up to four matched-fleet races over the course of the weekend on Sunsail 41.0 yachts with a celebratory fundraising dinner and dance at Cowes Yacht Haven on Saturday evening.

We welcome anyone over the age of 14 and all levels of experience but under 18s must be accompanied by an adult who will be responsible for them for the duration of the weekend.

Boats:	Sunsail 41.0 (three cabin, one head) – new in 2020
Crew:	Teams of up to eight, including your own Skipper and First Mate
Sailing area:	Eastern or Western Solent
Collect boats:	Sunsail, Port Solent Marina

RACING AND SOCIAL SCHEDULE

We'll be heading into the Solent again this year to enjoy a day of racing before arriving in Cowes for a dinner and dance on Saturday then returning to Port Solent on Sunday with more racing along the way.

Friday 11 November: Join with your team and collect your yacht

Saturday 12 November: Up to two races in the Solent followed by a dinner and dance at Cowes Yacht Haven

Sunday 13 November: Up to two races in the Solent followed by a prize-giving ceremony at Port Solent

– All Skippers must have relevant experience (see below)

– Racing will include symmetric spinnakers

– Sunsail class rules apply

CREW

Each Sunsail 41.0 sleeps a maximum of eight people. A team must either provide their own experienced Skipper and First Mate or you can hire a professional Sunsail Skipper at an extra cost.

Skippers wishing to charter a yacht must have the following qualifications:

Don your "blue suede shoes" and "rock around the clock"!
